Derrynane, the Oakwood of St. Fionán, stands at the very tip of the Iveragh Peninsula in Co. Kerry. Sheltered within the woodland stands Derrynane House, the ancestral home of Daniel O'Connell, lawyer, politician and statesman, and one of the great figures in modern Irish history.

Today some 120 hectares (300 acres) of the lands of Derrynane, together with Derrynane House, make up Derrynane National Historic Park, under the management of National Historic Properties, Office of Public Works.
