5. Procedures where a candidate seeks a review of a Decision taken in relation to their application

A request for review may be taken by a candidate should they be dissatisfied with an action or decision taken by the Office of Public Works (OPW). When making a request for a review, the candidate must support their request by outlining the facts they believe show that the action taken or decision reached was wrong. A request for review may be refused if the candidate cannot support their request.

The Commission recommends that, subject to the agreement of the candidate, where the office holder (in this instance the Office Holder of OPW) considers the matter could be resolved they should first seek to engage on an informal basis, before making use of the formal review procedure.

Please refer to www.cpsa.ie for procedures on both Informal and Formal Reviews under a Section 7 Appeal, please be aware strict timelines apply in each case.

Complaints Process

A candidate may believe there was a breach of the Commission's Code of Practice by the OPW that may have compromised the integrity of the decision reached in the appointment process. The complaints process enables candidates (or potential candidates) to make a complaint under **Section 8** to the Office Holder of the OPW in the first instance, and to the Commission for Public Service Appointments subsequently on appeal if they remain dissatisfied.

- Allegations of a breach of the Code of Practice should be addressed in writing, **and within a reasonable timeframe**, to the Office Holder in the first instance. The complainant must outline the facts that they believe show that the process followed was wrong. The complainant must also identify the aspect of the Code they believe has been infringed and enclose any relevant documentation that may support the allegation. A complaint may be dismissed if they the complainant cannot support their allegations by setting out how the OPW has fallen short of the principles of this Code.
- On receipt of a complaint the OPW may determine to engage with the complainant on an informal basis.

For further information on the complaints process please see the Code of Practice for Appointments to Positions in the Civil Service which is available on the website of the Commission for Public Service Appointments, www.cpsa.ie

There is no obligation on the OPW to suspend an appointment process while it considers a request for a review. Please note that where a formal review of a recruitment and

selection process has taken place under **Section 7** of this Code of Practice, a complainant may not seek a further review of the same process under **Section 8**, other than in the most exceptional circumstances that will be determined by the Commission at its sole discretion.

Requests for Feedback/Test Rechecks

Feedback in relation to the selection process is available on written request. There are no specific timeframes set for the provision of feedback or for carrying out rechecks. Please note that the Review Process as set out in the Code of Practice is a separate process with specified timeframes that must be observed. Receipt of feedback is not required to invoke a review.
